

HB 2063 Form

HB 2063 requires kennel facility operators (those who are providing boarding services for breeding, sheltering, training, hunting, “or similar purposes” for more than three dogs for compensation) to provide written notice to dog owners if their pet will be left unattended and without a fire sprinkler system. A kennel operator that violates this law is subject to a fine of \$500 for each animal boarded without informed consent. Kennel operators must ensure that clients sign the informed consent document prior to leaving an animal at a kennel facility for boarding.

By signing this form, you agree that you have been informed that pets left with 4 Paws Country Dog Boarding at times will be left unattended and without a fire sprinkler system.
